

# “In – Network” Insurance Plans 2019

The following is a list of insurance companies and insurance plans that the providers of Lake Forest Pediatric Associates are contracted with as “in-network” providers. Based on the Illinois Health Insurance Marketplace (“Exchange”) insurance plan offerings for 2018 there are currently no plans that LFP providers are “in-network” providers. Please note that there are many insurance plans available. This list is not a guarantee of “in-network” status. We will do our best to keep this list updated but insurance policies and insurance plans are subject to change by your insurance carrier. If you have questions about your specific insurance coverage and benefits please check directly with your insurance carrier before coming to the office.
